

To the FDA:

RE: DOCKET NO. 98N-1265

I send this letter as a consumer of **healthcare** services, to register my concern and **disapproval** of the Memorandum of Understanding as published by the FDA on **January 21, 1999**.

In its present form, the MOU, as well as the Compounding Section 503A of the **Modernization Act**, severely restricts the rights of **the physicians and patients to obtain healthcare products from the provider of their choice**. It also **infringes on the rights of compounding pharmacists to serve the public's medical needs**. As a healthcare consumer, there should be no restrictions to **the delivery of a compounded medication prescribed for me, regardless of where I may live or may travel**. The MOU must be amended!

Signed: Rosemary Marsh

State of Residence: N.Y.

Comments: It is important that I have the compounded HFA as it works much more effectively for my asthma condition. I've tried other brands but Pharm is the only one reliable.
